

Basic Services of Funeral Director and Staff

Itemized Cost

Our fee for the basic services of the funeral director and staff includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family and responsible parties, arrangement of funeral; preparation of necessary authorizations, and permits, vital statistics, preparation and placement of the death notice, sheltering of remains and coordination with those providing other portions of the funeral; example: cemetery, crematory, vault companies, and other as required. Also included in this charge are overhead expenses relative to our facilities such as professional licensing, legal and accounting fees, insurance, building and utility expenses, parking lot and grounds, maintenance, taxes, equipment, inventory cost, record keeping, secretarial and administrative expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangement you select. (This fee is already included in our charges for direct cremation, immediate burials, and forwarding of remains.)

\$ 1675

\$ 8165

In most area of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, may cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Oversized Outer Burial Container Price List
